

## CONFERENCE INVITATION

### Climalife F-Gas II approved solutions

**Wednesday 15<sup>th</sup> October 2014**, during the Chillventa exhibition, **Climalife**, in partnership with **Honeywell, Exxon-Mobil and Tewis**, are organising a technical conference about the low GWP solutions that comply with the new F-Gas European regulation.

Programme : 11.00 AM To 1.00 PM

- **F-Gas regulation and alternatives to high GWP refrigerants (R-404A / R-507A, ...)** – Climalife
- **Energy efficiency of R-404A replacement solutions** –Tewis
- **HFO's : low GWP refrigerants** – Thermodynamic properties / commercialisation – Honeywell
- **Lubricants solutions for tomorrow's refrigerants** – Exxon Mobil.

For this event, Climalife and its partners are inviting you to the **Kiev room of the Nuremberg Convention Centre (NCC OST)**. A cocktail will be served at the end of the presentations.

**Reply-coupon, please return to Climalife before 26<sup>th</sup> September 2014:**
